

Alcohol-based gel for hygienic and surgical hand disinfection with panthenol, without colour and perfume

desmanol® pure gel

Our Plus

- all-season product: protects safely against infections all year round!
- limited spectrum virucidal activity (in accordance with EN 14476)
- outstanding skin feeling through an innovative skin care formula (ProPanthenol-complex)
- free of residual active substances
- no dripping from the hands due to user-friendly gel formulation

Application areas

- **hygienic hand disinfection (EN 13727 + EN 1500):**
Rub a sufficient amount into dry hands, contact time 30 sec.
- **surgical hand disinfection (EN 13727 + EN 12791):**
Rub a sufficient amount into dry hands and forearms, contact time 90 sec.

Instructions for use

The product is to be used undiluted. During the contact time for hygienic and surgical hand disinfection, the product should be applied in portions so that the hands or hands and forearms remain well moistened during the entire application time.
